

Adopt A Friend Sponsorship Program

Adopt a Friend is a sponsorship program that helps support the animals of Luray Zoo. Luray Zoo is a privately owned facility that receives no type of government funding. All gift shop sales, admission, and donations help support the 250+ animals that call Luray Zoo home.

On average each year Luray Zoo spends more than \$100,000 dollars alone on animal bedding, food, heating, electricity, water, and vet care, that's not including the cost of permits, employees, enclosure repairs, new enclosures and much more. The money you donate towards the animal you adopt will help with vet care cost, food, bedding, and enrichment supplies for that animal and anything else it may need. Luray Zoo would like to thank you for your donation and the animals thank you too!
